**NQ Prelim Papers prepared to all current SQA Guidelines**

# perfectpapers

<http://www.perfectpapers.net>

Printed on 100% recycled paper - we are committed to being an eco-sustainable business.

## Chemistry

Our NQ Chemistry papers include full coverage of Units 1, 2 and 3. The core paper is based on Units 1 and 2 and we include an additional section of questions which can be added to make a full coverage prelim to meet your requirements.

All our Chemistry papers now come with PowerPoint format presentations for interactive whiteboard use to "go over" the exam with candidates after presentation.

Our Standard Grade papers also include an additional section which allows you to choose the most appropriate questions for your candidates.

## Computing, Computing Studies and Information Systems

Our top selling computing papers include a full prelim examination for every NQ subject. Each paper is supplied with PowerPoint slides to "go over" the exam with candidates. All questions are linked to their source in the arrangements in line with SQA guidance.

Standard Grade papers include questions for Industrial and Commercial Applications which can be selected depending on topic coverage (Commercial Data Processing or Automated Systems).

## English

Our papers for English language provide a complete prelim with full marking guidance and mark thresholds. Our Intermediate 1, Intermediate 2 and Higher papers follow the latest SQA arrangements for diet 2012.

## Modern Languages

Our papers for modern languages are available as downloads which include the language audio as MP3 files or as CD-ROMs which include the papers and language audio.

All listening audio now EXACTLY replicates the format of the SQA examination including instructions to candidates.

We have a great range of papers for French and German and Standard Grade Spanish and our bundle packages offer significant savings over products from other suppliers.

## Mathematics

Our complete collection of Mathematics papers provides valid and reliable prelim examinations from Intermediate 1 to Advanced Higher level. Our best selling Standard Grade Mathematics papers provide a full prelim examination for each level in a format which closely matches the SQA examination.

Every one of our Mathematics papers includes full marking guidelines and suggested mark thresholds. All papers are fully editable (MS Word versions) and contain formulae created with MathType Equation Editor.

## Modern Studies

Full Advanced Higher prelim examination which follows all current SQA guidance. All sources and data required for questions are included in a format which replicates the SQA examination.

## Physics

Our very popular Physics papers provide complete coverage of all NQ courses including Standard Grade. Set by nationally experienced examiners, these papers are fully editable (MS Word version) allowing you to ensure that questions match the content covered by your candidates.

Higher includes a selection of questions for Unit 3 allowing you to customise the paper to meet your needs.

"Excellent prep for final exam. Reliable and accurate"

Lynette Thomson,  
Kincorth Academy
